- Expansion of services and outreach has allowed for enrichment of care beyond our four walls by meeting patients where they are.
- Focus on quality of care via:
  - Internal referrals for comprehensive care (medical, dental, Behavioral health, womens health, internal medicine)
  - CAC to help them navigate insurance eligibility
  - CHW to overcome barriers such as transportation, housing, food insecurities, personal hygiene
- Create a trusting atmosphere by personifying care and compassion in a non intimidating environment

**Mission:**  
To provide a quality, affordable  
and compassionate health home
