

Children's Defense Fund-Ohio 2020 Virtual Fall Gala

"Lift Every Voice for Children"

Wednesday, September 16th 5:30-6:30pm

The Children's Defense Fund-Ohio has served Ohio's most vulnerable children and families for nearly 40 years. We accomplish this through data, research, policy, and advocacy work, but our success is only possible with your support.

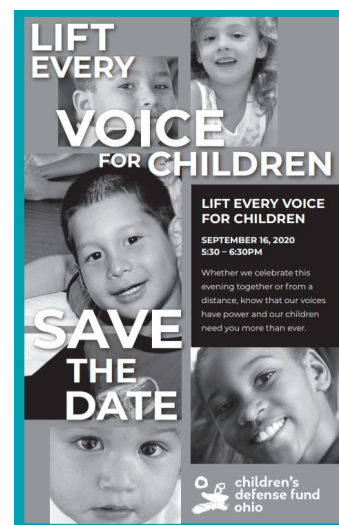

Join us for an evening of celebration and inspiration and learn more about how Ohio's children are faring during these difficult and unprecedented times. Hear moving and heartfelt stories from some of Ohio's young adults and help us to **"Lift Every Voice for Children"**!

During the COVID-19 crisis, CDF-Ohio is working tirelessly with state and federal policymakers advocating for resources to fund programs and services in our communities that support children and families in need. Our successes and ongoing work include:

- Advocating for additional enhanced Medicaid funding for the Children's Health Insurance Program - as more Ohioans lose employment and with it their health insurance, we must make sure this lifeline is available to keep our children healthy.
- Working with Ohio agencies to apply for and implement the Pandemic-EBT program, providing all children in Ohio, who receive free and reduced price lunches at school, additional nutrition support, helping families and their local economies.
- Support for children transitioning out of foster care by advocating for extended benefits and services for youth aging out of care until the pandemic and fiscal crises are over.
- Urging Ohio's federal representatives to secure increased resources to Ohio's child care providers, teachers, and families making sure children have quality care allowing parents to return to work with peace of mind knowing that their children are safe.
- Focusing on our communities of color as Ohio combats COVID-19. CDF-Ohio facilitated statewide Town Hall meetings to ensure that voices of minority communities were represented in the state's recommendations and plans to support minority health.

Join us in supporting this important work by becoming a sponsor. As CDF's only fundraiser, this event will raise the funds necessary to sustain the organization's ongoing advocacy efforts for children who cannot vote, lobby or speak for themselves.

Invest in Ohio's children today!
