COVID-19 has impacted the lives of Ohio's children and families with job loss, school closings and isolation.

The 2020 KIDS COUNT County Profiles reflect child well-being prior to COVID-19. These data serve as benchmarks as we move forward.

Measures of child well-being are indicators of a true economic recovery.

children's defense fund ohio

KIDS COUNT is a project of the Annie E. Casey Foundation. CDF-OH publishes an annual KIDS COUNT Data Book to share trends of child well-being and to spark discussion on data-driven solutions to improve child outcomes. CDF-OH also updates state and county level data on the KIDS COUNT Data Center at datacenter.kidscount.org.
